Product Information

OVERVIEW

Small, lightweight and very fast, the stylish 2 in 1 USB FLASH DRIVE stick is both refined and very practical. Thanks to the carabiner at the end of the product, Passepartout fused into the metal body is a fashionable accessory that will not go unnoticed and is a single unit which is both functional and beautifully designed.

It is ideal for those seeking the best for transferring files and images in a flash. Thanks to the OTG 2 in 1 Micro USB/USB 2.0 system is fast and compatible with most mobile and fixed devices and by hooking it to a key ring you can easily carry it with you wherever you go.
